

Springfield Museums Presents:

# The Wolves of Yellowstone

FEBRUARY 20, 2017 – FEBRUARY 26, 2017

\$3,795\* (optional Jackson pre-tour: \$995\*)

Amidst crisp air, bare trees, frosted earth, and brilliant thermal features of Yellowstone National Park, the wildlife viewing in winter is better than any other time of year. The elements of nature are in full sway and its wild inhabitants—close-knit packs of wolves—are hunting, mating, searching for warmth, and surviving.

## Program Highlights

- ✦ Immerse yourself in the unspoiled natural beauty, diverse wildlife, and dramatic tales of this unique ecosystem during this exclusive small group expedition (maximum 18 guests) to Yellowstone in winter.
- ✦ Scout for wolves from the warmth of a heated vehicle—Yellowstone is considered the best wolf-watching habitat in the country.
- ✦ Joined by an expert Orbridge Expedition Leader and professional naturalist guides, learn informed perspectives and first-person accounts of the wolves' setbacks, survival, and victories.
- ✦ Keep binoculars close at hand: this is the “Serengeti of North America,” ranged by resident bison, elk, pronghorn, bighorn sheep, moose, and other wildlife.
- ✦ Experience Yellowstone in its winter incarnation: a world with frozen “geyser rain,” ghost trees with a frosty glaze, surprising winter wildflowers, and dynamic geothermal features set in snow and ice.
- ✦ Enjoy a private, after-hours visit at The Museum of the Rockies, where the area’s natural history is highlighted by one of the most important collections of dinosaur fossils in the world.
- ✦ **What's included:** 6 nights accommodations with luggage portage; 6 breakfasts, 5 lunches, and 6 dinners including a special farewell dinner in Bozeman; admission and park fees; all gratuities; and airport transfers for guests arriving and departing during the suggested times.
