

# Oh, the Places You'll Go... with **THE CAT** in Tow!

The Dr. Seuss plate celebrates the legacy of Springfield, MA, native Ted Geisel, aka Dr. Seuss, who revolutionized learning to read by making it FUN!

Geisel's most famous character, the beloved Cat in the Hat, with his red-striped hat and mischievous smile, reminds all that wisdom walks hand-in-hand with wit. As Dr. Seuss wrote: "The more that you read, the more things you will know. The more that you learn, the more places you'll go."

Proceeds from this plate go to the Springfield Museums, home of the Amazing World of Dr. Seuss Museum. The Springfield Museums is a nonprofit

organization comprised of five interdisciplinary museums situated around a quadrangle green in the heart of downtown Springfield. Serving as "the people's college" for more than 160 years, the Museums' mission remains to warmly welcome visitors and encourage everyone to rediscover curiosity by exploring connections to art, science, history, and literature.

Do your part to encourage curiosity and nurture a love of learning. By purchasing a Dr. Seuss plate, you help support an institution devoted to enhancing the lives of all who visit.
