Dear Mr. Smith

Your kind letter of the 8th inst. rec. I have been out of town, so could not answer it before. Just at this present moment I cannot tell where I will be this summer. My wife has written to the Catskills & I have written to the Berkshire Hills. So we are both waiting for a reply.

I would rather not send a bill, as I would not like it ever to be known I sold them at the price, as I do not think any other man could have got them, for we have very few men who have taken the interest in our natural art that you have.

Thanking you for your kind invitation.
My kind regards to Mrs. Smith

I am sincerely yours
J. G. Brown
