

Museum School Classes Spring 2023

WATERCOLOR SUPPLIES

Beginning Watercolor

Instructor: Andrea Mackin

- Arches 140lb Cold Pressed paper (Can use any size block or buy individual sheets) Highly recommend purchasing good quality watercolor paper, cheap paper will not allow you to achieve the results that a quality paper will.
- Large wash brush
- Assortment of Round brushes 6, 8, 10, 12
 - Rigger size 16 or 18
- A small set of scrubbies (Cheap Joes *Fritch* scrubber set around \$16) or can buy individually. I prefer size 2
- Masking fluid and cheap small brush
- Plastic palette to mix colors
- Paper Towels
- Masking tape
- Plastic water containers
- Small spray bottle
- Pencil and Eraser
- Wire notebook or small sketchbook for notes
- Gatorboard or plexiglass (16x20) to hold paper in place
- Optional:
 - Saral Graphite Transfer paper
 - Canson Tracing Paper
- Suggested selection of watercolor paints. Usually I recommend any professional grade paints such as Winsor & Newton, Holbein, Daniel Smith, but if you are brand new to the medium and not ready to make the investment, I recommend that you pick up a box of Maries Watercolors.
 - French Ultramarine Blue
 - Cobalt Blue
 - Burnt Sienna
 - Yellow Ochre
 - Viridian Green
 - Sap Green
 - Hansa Yellow Light
 - Aureolian or a cold yellow
 - New Gamboge
 - Permanent Rose
 - Prussian Blue
 - Burnt Umber
 - Imperial Purple
 - Scarlet Red

Beyond Beginner Watercolor

Instructor: Andrea Mackin

- Arches 140lb Cold Pressed paper (Can use any size block or buy individual sheets)
 - Highly recommend purchasing good quality watercolor paper, cheap paper will not allow you to achieve the results that a quality paper will.
